

August 14, 1998

TIP No.: FS 10-1<sup>1</sup>  
County: Mecklenburg  
Description: US 21/Catawba Avenue Intersection Study in Cornelius

## MEMORANDUM

**TO:** J. F. Permar, P.E., Traffic Field Operations, Investigations, & Support Engineer  
(Attention: W. B. Staley, II, P.E., Area Traffic Engineer)  
[A. R. Lorscheider, P.E., Traffic Operations Engineer]

**FROM:** Pamela L. Alexander, P.E., Plan Review Engineer  
Congestion Management Section

**SUBJECT:** Development of Feasibility Study

Attached is the feasibility study meeting notification letter from the Program Development Branch requesting preliminary design input from the Traffic Engineering and Safety Systems Branch. In order to provide them the necessary feedback, we are requesting your comments on this request. We are committed to providing constructive feedback in a timely manner while not delaying their production schedule. The Plan Review Squad will coordinate a final response for this process. Therefore, should you have any design recommendations pertaining to this feasibility study, please provide them to me no later than **August 28, 1998**.

If additional information is required, please contact (Plan Review Project Engineer) or me at 250-4151. Thank you in advance for your assistance and cooperation.
